Movement and Why It Will Prevail
By Davina Kotulski, PhD**

~**Dolores Huerta**, Civil Rights Leader and Co-Founder of the United Farm Workers

“If you want your opinions about the most important social issue of our time based on reason and facts this book is your MUST READ.”

~**Don Clark, PhD**, Author of *Loving Someone Gay*

“A must read for anyone concerned about equality and justice. If you aren’t a Love Warrior before reading this book, you will be when you’re done.”

~**Ed Fallon**, Former Iowa State Representative

Recent polls indicate a majority of Americans support marriage equality, but targeted attacks funded by the religious right have passed Constitutional Amendments through state ballot initiatives that have prevented and repealed legislative and judicial gains in LGBT equality across the country. Despite promises from President Obama and the National Democratic Congressional leadership, legislative efforts to repeal “Defense of Marriage Act” or lift the “Don’t Ask Don’t Tell” policy at the national level have stalled. **LOVE WARRIORS : THE RISE OF THE MARRIAGE EQUALITY MOVEMENT AND WHY IT WILL PREVAIL** (Create Space/September 2010/ \$24.95), a new book by acclaimed author and psychologist Davina Kotulski, builds on her first book *Why You Should Give a Damn About Gay Marriage* (Advocate Books/April 2004/\$12.95) by offering sage advice from lessons learned from the struggle so far and provides readers with facts and information to intelligently discuss the personal and political barriers and triumphs of this worldwide civil rights movement to date.

LOVE WARRIORS shares an urgent yet inspiring message for those seeking to enlist as Love Warriors and collectively work together as the generation responsible for ending legal discrimination against LGBT Americans.

LOVE WARRIORS is a compelling and comprehensive guide that through facts and compelling stories helps people better understand common misconceptions and challenge religious opposition and arguments. Kotulski reviews the Constitutional promise of both equal protection under the law and religious freedom protection and explains how they can continue to peacefully co-exist after marriage equality is the law of the land nationally.

LOVE WARRIORS provides an emotionally charged wake-up call to inspire action through compassionate, engaging advocacy—what Kotulski describes as the power of love and compassion-in-action to affect meaningful change and transform the conversation from contentious controversial debate into open hearted dialogue focused on our shared common humanity. “We must eliminate discrimination and usher in equality and respect for diversity because it is the right thing to do and make it a better place for all,” said Kotulski, “Love Warriors lays out a collective road map for us to do so.”
